### ITS REPUTATION.

The reputation of Mayfield-Smith academy as a school of a high grade and of exceptional merit, is growing day by day. The work of the school the past year was of such a character as to warrant it. Already three families of wealth and high social standing have made definite arrangements to locate here for the sole purpose of availing themselves of the advantages offered by the school. The growth of the enrollment last session from seventeen to one hundred and eight means much. The report, based on good authority, has been received, that of all the schools visited by Prof. Hicks early in the year, Mayfield-Smith academy was the only one articulated with the university. The faculty for next year is abler and larger than that of any previous year, and the curriculum will be extended and improved.

The Lutesville board of education did a very wise thing in re-employing Prof. LEOFFLER and Miss CALDWELL, as teachers in the school for the coming session. They are far above the average teacher; and the polished moral tone they give the school is worth much. The only thing to regret is that the session will be but a six month's term.

The fact that he cannot find a house to rent is delaying Mr. JOHN W. SEWARD from moving to the Twin Cities. He is a man of wealth and influence. Would it not pay to have a better grade of dwellings?

JAY GOULD found out several years ago that Hon. Louis HOWE could build railroads. And his successors found out a few days ago that he can keep them after he has built them.

People who pass through Lutesville daily remark about the ugly appearance those old salt sheds and hen coops give the town. Dump them, and dump them quick.

People should not get the impression that Lutesville is one big poultry farm. But they will get it if those old hen coops are not removed from off Main street.

EVERY attorney in the Pierce murder trial distinguished himself. Bollinger county can safely boast some of the best criminal lawyers in Southeast Missouri.

While Lutesville statesmen are legislating they should legislate a little on those hen coops and salt sheds. Order them removed.

The editor suggests that the Fourth of July managers secure the Fredericktown and Jackson base ball teams for a game here.

Remove those salt sheds and hen coops from off Main street in Lutesville. They are a nuisance, and a disgrace to any town.

Men who have money could invest it profitably by building out large residences for rent in the Twin Cities.

SOMEbody build some good houses for rent in Marble Hill. They are needed, and needed bad.

MARBLE HILL needs more residences and better residences and she needs them bad, too.

It has become painfully evident that the Browns can't play ball.

Piles of people have piles, do De Witt's Witch Hazel Salve will cure them.

## LUTESVILLE BRIEFS.

The clearest and purest ice can be bought at J. H. Lutes.

The Bollinger County Bank buys county warrants and good notes.

J. M. Poe was in Stoddard county on business the first of the week.

Go to Drum's with your wool. He is paying more than any other firm.

Percy Mathews of Cape Girardeau was visiting friends in Lutesville Saturday.

BARGAINS! 190 pr's of ladies shoes any style or quantity, going at Drum's for cost.

W. H. Smith and George Lessley attended the picnic at Burfordville last Saturday.

Do you lack faith and love health? Let us establish your faith and restore your health with De Witt's Sarsaparilla.

R. L. Allen arrived from Cape Girardeau Tuesday where he has been attending school the past year.

When it comes to keeping cool, the most hot headed man can do it by buying ice of J. H. Lutes.

The painters and plasterers are doing rapid work on the interior of W. W. Sample's new business house.

Have you drunk of the delicious soda water dispensed from the new arctic Soda Fountain at Dr. Jaques Drug Store?

Miss Annie Wilson, who has been in school at St. Vincent's academy at the Cape, is at home for vacation.

The Price Baking Powder has rebuilt its burned property in Chicago, and is now operating with as full a capacity as ever before.

The bridge crew is pushing the construction of the iron railroad bridge below town rapidly. It will be one of the longest bridges on the bank.

"There is a salve for every wound." We refer to De Witt's Witch Hazel Salve, cures burns, bruises, cuts, indolent sores, as a local application in the nostrils it cures catarrh, and always cures piles. A. Sander. E. P. Biggs.

Bad complexion indicates an unhealthy state of the system. De Witt's Little Early Risers are pills that will correct it. They act on the liver, they act on the stomach, they act on the bowels. E. P. Biggs.

Have you seen the new Arctic Soda Fountain at Dr. Jaques Drug Store, and have you drank of the delicious soda water dispensed there?

M. E. and Chas. Poe are painting a residence for John Bark on Castor this week. Charles resigned his position in Lutes' grocery store.

Many new arrivals of exquisite hats and flowers at Mrs. Jaques' that will lead in worth and beauty, anything ever brought to town. Cheap.

The breaking up of the winter is the signal for the breaking up of the system. Nature is opening up the pores and throwing off refuse. De Witt's Sarsaparilla is of unquestionable assistance in this operation. E. P. Biggs.

We wish to call careful attention to the Ad. of the Ohio Chemical Co., appearing in this issue of the Press. Read carefully and profit by what it says.

J. N. Tankersley returned Thursday from an extended visit in Kansas. He informs the editor that he will leave in a few days for Dixon Ill., to take charge of a newspaper.

Dr. E. P. Biggs is repairing and refitting the house occupied by him previous to his moving into his new brick residence. It will be a neat, attractive dwelling with six rooms.

Persons desiring to secure stand privileges in Courade park for the Fourth of July celebration will apply to W. S. King Lutesville, who has the plat on file. He will also dispose of all minor privileges.

A thing that takes. The rapidly increasing popularity of Mrs. Jaques' millinery is due to the fact, seldom existing elsewhere, that fine goods are kept at prices that you have heretofore paid for poor goods. Drop in and investigate the matter.

**TOBACCO HABIT EASILY CURED.**

A FEW Testimonials from persons who have been cured by the use of Hill's Tablets.

**THE OHIO CHEMICAL CO.:—**DEAR SIR:—I have been using your cure for tobacco habit, and found it would do what you claim for it. I used ten cents worth of the strongest chewing tobacco a day, and from one to five cigars; or I would smoke from ten to forty pipes of tobacco. Have chewed and smoked for twenty-five years, and two packages of your Tablets cured me so I have no desire for it.  
S. M. JAYLOED, Leslie, Mich.

**DORRIS FERRY, N. Y.:—**Some time ago I sent for \$1.00 worth of your Tablets for Tobacco Habit. I received them all right and, although I was both a heavy smoker and chewer, they did the work in less than three days. I am cured.  
Truly yours, MATHEW JOHNSON, P. O. Box 6, PITTSBURGH, PA.

**THE OHIO CHEMICAL CO.:—GENTLEMEN:—**It gives me pleasure to speak a word of praise for your Tablets. My son was strongly addicted to the use of liquor, and through a friend, I was led to try your Tablets. He was a heavy and constant drinker, but after using your Tablets but three days he quit drinking, and will not touch liquor of any kind. I have waited four months before writing you, in order to know the cure was permanent.  
Yours truly, MRS. HELEN MORRISON, CINCINNATI, OHIO.

**THE OHIO CHEMICAL CO.:—GENTLEMEN:—**Your Tablets have performed a miracle in my case. I have used morphine, hypodermically, for seven years, and have been cured by the use of two packages of your Tablets, and without any effort on my part.

All persons who have engaged cuts will please send their photographs to the business manager by next Wednesday as they must be sent away.
